GREATEST PROFESSIONAL ACHIEVEMENT:

Cultivating our team's unrelenting focus on world-class dentistry in a painless, comfortable environment for the past 30 years

MY STORY: Dentistry is my hobby as well as my profession. My staff and I are dedicated to continuously improving the quality of our dentistry and the quality of our patients experience. The most important aspect of my office is that the staff and I treat every patient like family. For the past 30 years I have focused on world-class dentistry in a painless, comfortable atmosphere.

BEST ADVICE: The future of dentistry is here! Minimally invasive procedures and conservation of healthy tooth must always be the goal.
